

Children's workshops in May and June'16

Reading Challenge! (5 days workshop)

Conducted by: Reeba Kapoor

Date: 15 May – 12 June 2016 (Every Sunday)

Age groups:

Group A: 9 to 13 years – 11:00 a.m. – 01:00 p.m.

Group B: 5 to 8 years – 02:00 p.m. – 04:00 p.m.

Registration fee: Rs 1500 for members:

The much awaited reading initiative is back again under the flagship 'Reading Challenge' 2016, Record Breakers.

Children will read the latest and most popular books from the UK with activities and events designed to create a buzz.

The Record Breaker is a combination of fun, freedom and creativity which focuses on developing and improving not just the reading skills of children, but also provides an array to boost their motivation and confidence.

So bring your child and gift them the joy of reading!

Be creative with camera!

Conducted by: Delhi Photography Club

Date: 21 May 2016, 10.00 a.m. - 04.00 p.m. (Lunch Included)

Age group between 10 and 16 years

Tools: Basic digital camera, memory card and batteries

Registration Fee: 1800/- for members

2500/- for non-members

A workshop exclusively designed for a neophyte to use photography creatively. Despite using the basic techniques, the sessions will enhance your photography skills and give you confidence to proudly display your creative output anywhere - be it in an album or on the walls. The interactive sessions will provide experience of both indoor and outdoor photography.

In this workshop learn about:

- Megapixel myth
- Functions of camera including settings of white balance, portrait, macro, landscape photography.
- Use different lighting situations to create drama in photos.
- Using fill in flash cleverly during the daytime.
- Learn the principles of composition and framing.
- Posing and portraiture for solo, group of two or three people

*Participants are expected to bring their camera (digital), memory cards, batteries for the workshop.

The power of brainstorming!

Date: 27 May 2016, 03.00 p.m. to 05.00 p.m.

Age group between 10 and 14 years

Registration fee: 500/-

Do you want to be the next stand-up comedian? It's a challenge to make people laugh, isn't? So join this workshop and learn how to write and act emotions powerfully through activities in an interactive way.

Reveal the artist in you and overcome your stage fears. This unique workshop will enhance your confidence and creative writing ability.

Getting into teens

Conducted by: Bhavna Saxena

Date: 28 May 2016, 10.00 a.m. to 12.00 p.m.

Age group between 12 and 14 years

Registration fee: 500/-

Children are born with an innate desire to know more. How? Why? and What? bothers them about everything. This workshop especially designed for preteens and teens, aims at focusing on dealing with psychological issues that arise with the physiological changes, the significance of dealing with mood swings, managing anger and any negative influence. The age appropriate activities like short role play will be performed during the workshop which will provide a stimulating environment that encourages the cognitive growth and development of kids.

Learn voice modulation!

Conducted by: Dr. Parul Vats

Date: 28 May 2016, 03.00 p.m. to 05.00 p.m.

Age group between 9 and 13 years

Registration fee: 500/-

Reading and speaking with modulation can create an exciting environment. To hold the listener's attention is the dream of every orator. To speak with conviction, to inspire others and to speak with style is what this workshop will focus on.

Come here and become an eloquent speaker.

Storytelling through dance movement!

Conducted by: Reeba Kapoor

Date: 1 June – 4 June 2016 (4 Days workshop), 11.00 a.m. - 01.00 p.m.

Age group between 7 and 11 years

Registration fee: Members: Rs 1200/-

Non Members: Rs 1500/-

Articulation is a skill that young minds should develop. The creative forms like dance, drama, music and movement are unique and powerful tools that help develop thinking, creative and interpersonal skills.

Dance - Brings positive energy and drives children to throw all inhibitions and develop confidence.

Drama - Adds spark and flair to their story narration. It improves enunciation, articulation and comprehension.

Music - Gives the additional creative skill to express ones point of view.

Movement - Provides solid platform for execution of the stories.

This workshop will help children build confidence and freely express their feelings.

Know yourself; know what's going around the world!

Conducted by: Parul Kumar

Date: 03 June and 04 June 2016, 10.00 a.m. to 12.00 p.m.

Age group between 10 and 14 years

Registration fee: Rs 700/-

This is a highly motivational program that will improve your overall personality. Learn what's going on around the world and outsmart everyone with your intelligence. The workshop also creates a new perspective for the participant where he would identify himself as someone important and realizes his true potential to make a difference in the life of everyone around him. Come and join this two days' workshop to make a difference in your life and others.
